PROJECTS

Designing a Visually Appealing Homepage for an E-Commerce Application ↗
Jun 2025 - Jul 2025
Designed a high-fidelity e-commerce homepage UI in Figma with intuitive navigation, visual appeal, and consistent typography and color styles, while documenting key design choices in a structured guide that explains layout, hierarchy, and aesthetics, along with an interactive prototype for a seamless user experience.

Sample project for Xendworks ↗
Jul 2025
I redesigned the Xendworks platform to create a cleaner, more user-friendly interface.Using Figma, I improved layouts and navigation for a smoother experience across all modules.
